

# Women's New Jersey Golf Association's Centennial Year 2022 Year in Review

## Opening Day & Spring Meeting – May 18, 2022 at Hackensack Golf Club

2022 Board Members: Left to right: Judy Caruso, Lois Farese, Christina Hall, Marie Slate, Susan Kelly, Suzanne Dallas, Marie Waterhouse (not pictured – Gail Pollard & Betsy Cowell)

The WNJGA Opening Day's shotgun start was at 10 a.m. which allowed for the Spring Meeting to be held as a breakfast meeting at 8:30 a.m. A WNJGA member arrived with gold-colored balloons that when displayed together depicted our 100 years.

Left to right: Lois Farese (President) & Emerita members: Katie Nolle and Penny Barth.

During the meeting two Emerita members were recognized with their photos on the big screen and by inviting them to speak when awarded their special pin. Those Emerita award winners for 35 years of continuous membership were: Katie Nolle and Penny Barth.

The Spring Meeting Agenda and director's reports were presented in Power Point presentation shown on a big screen TV which allowed members to view the information from everywhere in the room.

Photos of all 2022 new members to date were displayed on the screen and those present were invited to stand in front of the podium to be acknowledged and to receive their WNJGA ball marker. The ball marker gift replaced bag tags that were originally the gift given to new members.

2022 New Member Gift – Ball Marker

## **WNJGA Trophy Case housed in the NJSGA Office in Kennilworth, NJ**

An anonymous member of the WNJGA donated the funds to purchase the trophy case.

## **Uebelacker Memorial Tournament at Essex County Country Club -August 18**

The WNJGA did not have a current member at Essex County Country Club, so Lois Farese contacted Kerry Zinckgraf, catering manager with the request for Essex County to host the Uebelacker Memorial Tournament since Mrs. Uebelacker was the first president of the WNJGA and it is the WNJGA Centennial Year. Zinckgraf presented the proposal and got approval from the Essex County Board.

## **Retirement of Uebelacker Trophy & new home for the Mrs. John Farrell Trophy**

The Board voted to retire the Uebelacker Trophy because it was completely full and to move the Mrs. John Farrell bracelet associated with the Uebelacker Memorial Tournament to the Stroke Play Championship beginning in 2023. The 2023 Champion will receive both the other Uebelacker trophy for Low Gross and the Mrs. John Farrell trophy. FYI – We have two Uebelacker trophies.

## New Member Gift Changed from Bag Tags to Ball Markers

## Awards & Prizes – New System

Instead of receiving a certificate for awards and prizes that could be used at a participating New Jersey Pro Shop; prizes and awards are now directly deposited in the member's account at her home course. A certificate is given to the member with the dollar amount awarded.

### WOMEN'S NEW JERSEY GOLF ASSOCIATION FOUNDED 1922
