WNJGA Policies

USGA Rules of Golf govern play. Local Rules will be posted at each tournament site.

ENTRIES: Online registration is required for entry to all tournaments. If a player misses the entry deadline, she may contact the VP of Tournaments for entry availability.

CANCELLATION: If a player needs to cancel her entry, she should notify the VP of Tournaments. If the cancellation is on the day of play, she should also notify the Pro Shop of the host club. Player will be charged for lunch if she cancels within 48 hours of the event.

HANDICAPS: Handicap allowances will be utilized as per USGA recommendations.

CELL PHONES: Players must adhere to the cell phone policies of the host club.

DISTANCE MEASURING DEVICES: A device that measures distance only may be used in any WNJGA tournament provided the application is not accessed using any hand-held communication device.

DRESS CODE: Proper golf attire must be worn at all WNJGA events. Players must adhere to the dress code regulations of the host club.

CADDIES: If required by the host club, a player must employ a caddie if one is available. If caddies are used in a two-day event, player may not have the same caddie twice.

SCORECARDS: Scorecards must be signed, attested and returned to the scorer to be eligible for prizes.

TIES: Trophy Events - All ties for trophies, except for the gross Championship Trophy, will be decided by the Committee using the USGA recommended procedure. A tie for the Championship Trophy will be decided, if possible, by an immediate 3-hole play-off followed, if necessary, by sudden death. If an immediate play-off is not possible, the Committee will have posted, before play begins, an appropriate tie-breaking procedure.

Non-Trophy Events - All ties will be decided by the Committee using the USGA recommended procedure. Points, determined by the size of the field will be totaled and awarded equally.
